

2015 Iowa Farm to School Month Showcase

October is Farm to School Month and we want to celebrate our food, those growing it and those enjoying it! As part of this month-long celebration, we want you to show us what's happening in your school. While we would love for you to share your favorite photos capturing your farm to school activities, we will be drawing for prizes each week based on the weekly features below. Please only submit photos that you are willing to have posted on our Facebook page or included in our promotional materials. Participate each week for an even greater chance of winning.

Prizes include: books, educational DVDs, games, 17 piece-measure and prep kit, cutting boards, classroom supplies (pencils), and a grow light. **Send your photos & recipes to: tammy.stotts@iowaagriculture.gov (include in subject line 2015 F2S Showcase).**
