

Iowa Farm to School Program Resources from IDALS

As a Farm to School Chapter, IDALS plans to offer the following products or services to help strengthen your local Chapter:

Promotional items - such as pens, pencils, and posters depicting Iowa products/kids (development is underway)

Directories and Resource Lists – listing participating growers and school districts

Press releases – periodic press releases will be done promoting the success of the local chapter's activities

Staff - Department of Agriculture and Department of Education staff consultation/assistance

Incentives – a reward incentive will be offered to schools implementing a Farm to School program
