

# Mazes Apples Pumpkins Strawberries

Information gathered from a recent marketing survey for fruit and vegetable growers reflects that you may qualify to be listed on the Iowa Department of Agriculture and Land Stewardship (IDALS) Iowa M.A.P.S. (Mazes, Apples, Pumpkins, and Strawberries). This is a fun, artsy map created to guide people to the farm to obtain apples, pumpkins, strawberries or a tour through one of Iowa's many mazes. The M.A.P.S. are made available to Welcome Centers throughout the state as well as many Chambers of Commerce and are distributed as handouts at the Iowa State Fair and other conferences around Iowa.

We want to be sure that individuals listed on this publication have a farm that truly offers the items being promoted on farm and will provide the customer with the items or experiences as indicated. Please complete the following information if you are interested in having your farm listed in this publication. The Department reserves the right to determine eligibility for inclusion in these directories and materials. Not all information that you provide will be posted on our website. However, please do not provide any information that you would not want posted. ++++++

Name: \_\_\_\_\_

Business Name: \_\_\_\_\_

Street Address (of farm): \_\_\_\_\_

City: \_\_\_\_\_ State: \_\_\_\_\_ Zip code: \_\_\_\_\_

County: \_\_\_\_\_ Quadrant farm is located in: (circle) NW NE SW SE

Phone #: \_\_\_\_\_ Fax#: \_\_\_\_\_
