

Apiary web Access for Producers

To use the Apiary website for producers you must have Internet Explorer version 5 or higher. Open Internet Explorer and enter the following web address:

<http://csbweb.igsb.uiowa.edu/apiary/data/>

To begin, enter your producer id and password (see figure 1 below).

Iowa Department of Agriculture and Land Stewardship

Agricultural Diversification & Market Development Bureau

To access this area you need to enter your PRODUCER ID and password assigned to you.
Your password is case sensitive, so enter accordingly.

Figure 3.

To update your apiary site registration for the current year, you will need to retrieve your old site registration from the previous year. You can retrieve last years site information by doing a county search or retrieve by site id. For example, to register last years sites (2005) for this year (2006), select the county and year equal to 2005 and click Retrieve (figure 4).

Welcome Bill Bunker
[Update personal profile.](#)

	County:	Taylor	Year:	2005	Retrieve...
	Site Id:		Year:	2006	Retrieve...

Figure 4.

If you had registered sites in the selected county for 2005, they will now be displayed (figure 5).
