
GOFF AML RECLAMATION PROJECT, CONTRACT #2
Sections 14, 15, 22 & 23, Township 75 North, Range 19 West of Marion County, Iowa
BID NO. 19128-2

Sealed bids will be received by the Iowa Department of Agriculture & Land Stewardship, Division of Soil Conservation, 502 East 9th Street, Des Moines, Iowa 50319, until **3:00 p.m.** local time, on the **26th day of August, 2010** and opened at a public meeting and read aloud on the date last mentioned.

In general, the work involves, but is not limited to clearing and grubbing; excavation; grading; terrace construction; neutralization of spoil; erosion and pollution control in accordance with the Storm Water Pollution Prevention Plan; and seeding and fence installation. This project includes approximately 397,000 cubic yards of excavation and roughly 49 acres of seeding. The estimated construction cost range for this project is \$850,000 to \$1,000,000.

A pre-bid conference will be held on August 11, 2010 at 9:00 a.m., Marion County ISU Extension Conference Room, 1445 Lake Drive, Knoxville, Iowa, telephone 641-842-2014. Attendance at the pre-bid conference by prospective bidders is not mandatory but is encouraged.

The Plans and Construction Specifications governing the construction of the proposed improvements have been prepared by MIKON Corporation and are hereby made a part of this notice by reference and the proposed contract shall be executed in compliance therewith. Copies of the Contract Documents, including Plans, Construction Specifications, and Bid Package, can be obtained by interested bidders upon written or verbal request to MIKON Corporation, 4414 South 40th Street, Suite B, St. Joseph, Missouri, 64503, telephone 816-364-2890 or fax 816-364-2126.

Questions concerning the Plans and Construction Specifications should be addressed to Eric Coustry, P.E., MIKON Corporation, at the address or telephone number aforementioned. All other questions concerning other Contract Documents should be addressed to Randy Cooney, AML Project Coordinator, 515-281-3476. In order to be considered in a final addendum, written questions must be received by MIKON Corporation no later than August 19, 2010.

Published the week of July 26, 2010.

01 BIDDER'S KNOWLEDGE & PRE-BID CONFERENCE

The proposed project is located as specified in the Notice-to-Bidders. Bidders shall familiarize themselves with the Contract Documents and conditions which will affect the construction. Specific items relating to the preparation of bids and the submission thereof are listed elsewhere in the Contract Documents. It will be the responsibility of the bidder to examine all Contract Documents and to make a personal examination of the job site and the physical conditions which may affect bidding and performance under the Contract. Bidders may inspect the project site at their convenience.

A pre-bid conference will be held at the location, date and time as set forth in the Notice-to-Bidders. Attendance at the pre-bid conference by prospective bidders is not mandatory but is encouraged.

02 BIDDER'S QUALIFICATIONS

The bidder will be required to satisfy the Division as to the bidder's integrity, experience, equipment, personnel and financial ability to perform the work. The bidder must meet the following requirements:

- Contractors are required to be prequalified for grading work over \$100,000 by the Iowa Department of Transportation.
- Contractors are required to be registered with the Iowa Division of Labor.

If the successful bidder is a non-Iowa corporation, he shall submit proof to the Division, prior to the execution of the contract, of authorization by the Secretary of State to do business in Iowa.

The Contractor must meet all the requirements of the forms listed in Section 11 in order to enter into a contract with the Division for this project.

03 OBTAINING BID DOCUMENTS

A website has been developed for this project that includes an electronic copy of all of the bidding documents. These include Document A – Notice to Bidders, Document B – Instructions to Bidders, Document C – Proposal and Schedule of Prices, Document D – Bid Bond Form, Document F – Targeted and Small Business Enterprise Reporting Form, and Document N – General Conditions. The website also contains the Construction Specifications, the Supplemental Specifications developed by the engineer and the Construction Plans developed by the engineer. Other contract forms will be provided after bidding to the lowest responsible bidder (See Section 11). The documents on this website can be viewed or printed by those interested in the project. A bound copy of all these documents can also be obtained by contacting the engineering company as noted in Document A.

In order to be added to the plan holders list, the interested party must contact the engineer by phone, fax, letter, or e-mail. Those listed as a plan holder will receive meeting minutes, any and all addenda and an updated plan holders list. The website will NOT be updated with the meeting minutes, plan holders list, and any addenda. These must be received directly from the Engineer or Division.

04 METHOD OF BIDDING

Bidders shall submit unit price bids as required for the work items covered by the Contract Documents. Prices shall cover complete work and include all costs incidental thereto, unless otherwise indicated.

The Division may change location, quantities and combination of units as required during the progress of construction. If work is added to the Contract which is not covered by a bid price set forth in the Proposal and Schedule of Prices (*Document C*), a Change Order, including the negotiated cost for said work, will be issued by the Division prior to the work being done.

Bids will be compared using quantities shown in the proposal. The quantities of work so shown represent the Engineer's estimate of work to be completed as shown on the plans and measured in accordance with provisions in this Contract defining the method to be used in measuring such quantities. The Contractor's compensation will be computed on the basis of final quantities of completed work. Where a lump sum is shown on the proposal as a unit bid price for a specified work item, the Contractor will be paid that amount for the completed and accepted work.

In the event of discrepancies between unit prices and unit price extensions listed in bidder's proposal, unit prices shall govern. The bidder must submit a bid for all alternates, if any.

05 SUBMISSION OF BIDS

The bids shall be submitted on the proposal form included herewith. The proposal shall be submitted in a sealed envelope separate from the bid security. The envelope shall bear the return address of the bidder and shall be addressed as follows:

TO: Iowa Division of Soil Conservation
Attn: Randall Cooney, Project Coordinator
Mines and Minerals Bureau, IDALS
502 East 9th Street
Des Moines, Iowa 50319

PROPOSAL FOR: Goff AML Reclamation Project, Contract #2
Marion County, Iowa
Bid No. 19080

- The bid shall be signed by a legally authorized representative of the bidder.
- The bid securities shall be placed in a separate No. 10 envelope attached to the envelope containing the bid.
- Only the Proposal and Schedule of Prices (*Document C*) and Targeted and Small Business Enterprise Reporting Form (*Document F*) shall be included in the envelope with the bid (see Article 17 below). Do not submit Plans and/or Specifications with the bid.

06 BID SECURITY

Bidder shall provide a cashier's or certified check or bid bond for the project in the amount of 10% (ten percent) of the base bid (no alternates included). **The bid security shall be made payable to the State of Iowa, Division of Soil Conservation**, and shall be forfeited and become the property of the Division in case the bidder fails or refuses to enter into contract and furnish bond within fourteen (14) calendar days after his proposal has been accepted. Checks will be returned to the bidders.

07 WITHDRAWAL OF BIDS

Bids may be withdrawn anytime prior to the scheduled closing time for receipt of bids but no bid may be withdrawn for a period of thirty (30) calendar days thereafter.

08 EVALUATION OF BIDS AND AWARD OF CONTRACT

The Contract shall be awarded to the lowest responsible bidder as determined by the Division. In evaluating the bids, the Division may consider such factors as alternates, bid price, experience and responsibility of the bidder and similar factors in determining which bid it deems to be in the best interest of the Division for the project. In comparing bid prices, the total bids of the various bidders shall be determined by applying the unit prices bid for each work item against the estimated work item quantities set forth in the proposal.

09 TAXES

Materials purchased for all construction contracts let by the Iowa Department of Agriculture-Division of Soil Conservation will be exempt from sales and use tax, including local option taxes. This exemption applies only to materials that are components of the final project. The contractor and subcontractors will be issued a Sales Tax Exemption Certificate from the Division of Soil Conservation that is specific for a contract. Refer to Iowa Department of Revenue and Finance's website for additional information: <http://www.state.ia.us/tax>.

The bidder shall include in his proposal all other federal and state taxes required by law.

10 PREFERENCE FOR LABOR AND MATERIALS

The Contractor shall observe all of the laws of the State of Iowa with regard to preference for labor and materials, except that preference for Iowa labor and materials shall not apply when federal funding is to pay for any part of the project. Federally funded are identified in the Notice-to-Bidders. This project is one hundred percent (100%) federally funded; therefore there shall be no preference for Iowa labor and materials.

11 EXECUTION OF CONTRACT

The party to whom the contract is awarded is required to complete the following documents within fourteen (14) days from receipt of the Notice of Award.

- a. CONTRACT (*Document I*) including Iowa Department of Labor Public Registration Number
- b. PERFORMANCE BOND (*Document J*) with signatures from bonding company
- c. NON-DISCRIMINATION CLAUSE (*Document E*) - Signed and dated
- d. CERTIFICATION OF NON-SEGREGATED FACILITIES (*Document G*) - Signed and dated
- e. CERTIFICATION REGARDING DEBARMENT, SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION (*Document H*) - Signed and dated
- f. CERTIFICATION REGARDING LOBBYING (*Document M*) – Completed
- g. Submit Certificate of Insurance as required in Document N – General Conditions Section 6.01
- h. Complete the Application Violator System form (See Section 16)

The Notice-of-Award shall be sent to the Contractor by the Division and shall be accompanied by the necessary contract and bond forms listed above. In case of failure of the bidder to execute the contract, the Division may at his option consider the bidder in default, in which case the bid security accompanying the proposal shall become the property of the Division.

The Division will review all the contract documents received from the contractor and inform him if there are any missing or improperly completed forms. After the Division receives all the properly completed forms, the Division will execute the contract within fourteen (14) days and issue the Notice to Proceed. Should the Division not execute the Contract within such period, the Bidder may with written notice withdraw his signed Contract. Such notice of withdrawal shall be effective upon receipt of the notice by the Division.

The Notice-to-Proceed shall be issued within five (5) days of the execution of the contract by the Division. Should there be reason why the Notice-to-Proceed cannot be issued within such period the time may be extended by mutual agreement between the Division and Contractor. If the Notice-to-Proceed has not been issued within a thirty (30) day period or within a greater period mutually agreed upon, the Contractor may terminate the contract without further liability on the part of either party.

The Contractor must submit a Construction Progress Schedule to the Division and Engineer and schedule a Preconstruction Conference with the Division and Engineer. This Preconstruction Conference must be held within ten (10) days from the receipt of the Notice-to-Proceed. Additionally the initial Construction Progress Schedule must be submitted to the Engineer and Division within ten (10) days of the receipt of the Notice-to-Proceed. Should there be any reason why either the Preconstruction Conference cannot be held or the initial Construction Progress Schedule cannot be completed within such a period, the time may be extended by mutual agreement between the Division and Contractor. No work may commence on site prior to the Preconstruction Conference.

The Contractor shall commence work within fourteen (14) days of the date that the Notice-to-Proceed is received. The Contractor shall not commence work on site absent an initial Construction Progress Schedule approved by the Division. Should there be any reason why the construction work on site cannot commence within this period the time may be extended by mutual agreement between the Division and Contractor.

The executed contract shall be deemed to include the entire agreement between the parties. The Contractor shall not claim any modifications resulting from representation or promise made by representatives of the Division or other persons.

12 DISQUALIFICATION OF BIDDERS

- Attention of bidders is directed to Section 553 of the current Code of Iowa regarding unlawful combination in making public contracts.
- The bidders are also directed to Section 91C.7 of the current Code of Iowa requiring that any contractor performing construction contracts for the State of Iowa must be registered with the Iowa Division of Labor.
- The bidders are directed to the Iowa Department of Transportation "Standard Specifications for Highway and Bridge Construction" Section 1102.01 COMPETENCY AND QUALIFICATION OF BIDDERS in order to meet the qualification for grading work over \$100,000.
- The bidders are directed to *Document H* CERTIFICATION REGARDING DEBARMENT SUSPENSION, INELIGIBILITY AND VOLUNTARY EXCLUSION.
- The bidders are directed to *Document M* CONGRESSIONAL LOBBYING REPORTING REQUIREMENTS.
- The bidders are required to acknowledge receipt of all addenda by listing such addenda in the Proposal and Schedule of Prices (*Document C*).
- The bidders are directed to 30 CFR Section 874.16. This eligibility requirement will be reviewed by the Division at the Contractor's completion of the Applicant Violator System (AVS) form (*Document W*). (See B-16).

13 QUANTITIES

Estimated quantities shown on the proposal form are provided for the Contractor's information and for comparative purposes in awarding a construction contract. Such quantities are intended to represent the work shown on the Plans, measured as defined in the Construction Specifications. However, said quantities are only estimates and are subject to increases and/or decreases during construction of the project.

14 QUESTIONS AND ADDENDA

If any person contemplating submitting a bid for the proposed work, material or equipment is in doubt as to the true meaning of any part of the Plans, Construction Specifications, or other Contract Documents, that person may request an interpretation thereof. The person submitting the request will be responsible for its prompt delivery.

Questions concerning interpretation or intent of the Plans and Construction Specifications should be directed to Eric Coustry, P.E., MIKON Corporation, 4414 South 40th Street, Suite B, St. Joseph, Missouri, 64503, telephone 816-364-2890. All other questions concerning Contract Documents should be addressed to the Project Coordinator, Randy Cooney, (515) 281-3476.

Any oral interpretation given will be valid only if confirmed by written addendum. Information obtained from an officer, agent, or employee of the Division shall not affect the risks or obligations assumed by the Contractor or relieve him from fulfilling any of the conditions of the Contract. All interpretation requests should be addressed in writing and received no later than the date stipulated in the Notice-to-Bidders so that responses may be included in an Addendum prior to bid opening.

The Division reserves the right to revise or amend the Contract Documents prior to the date set for receipt of bids. Such revisions and amendments, if any, will be announced by an addendum or addenda to the Contract Documents. Copies of such addenda as may be issued will be furnished to all holders of the Contract Documents and Bid Package. **Bidders are required to acknowledge receipt of all addenda by listing such addenda in the Proposal and Schedule of Prices (Document C).**

15 PRECONSTRUCTION CONFERENCE

Following the award of Contract, the Contractor and his major subcontractors will be required to attend a preconstruction meeting at a time and place designated by the Engineer.

16 AVS RECOMMENDATION REQUIREMENT

The successful bidder for an AML contract must be eligible under 30 CFR Section 874.16 at the time of contract award to receive a permit or conditional permit to conduct surface coal mining operations. Such eligibility must be confirmed by the completion of the automated Applicant Violator System (AVS) form or update their existing Organization Family Tree (OFT). Therefore, the successful bidder will be required to contact the AVS Office of OSM (1-859-260-8424) and update existing registration or submit *Document W*, (AVS Recommendation Request) to the AVS Office, as required by OSM. The award of any contract under this solicitation cannot be made until the request has been processed by the OSM-AVS office and reviewed by the Division. Failure on the part of the apparent low bidder to provide a completed AVS form to the Division of Soil Conservation within in fourteen (14) working days of the Notice-of-Award, or if the applicant is listed as a violator on the AVS, may result in the withdrawal of the award, re-awarding to the next lowest bidder, or rebidding the contract, and forfeiture of all or part of the Bid Bond.

17 SUMMARY OF BID SUBMITTAL REQUIREMENTS

Before submitting a bid, be certain that all documents have been completed properly. Failure to complete and sign all documents and to comply with the requirements listed below can cause the bid not to be read:

A. Bid Security

The bid security must be in the separate No. 10 envelope and attached to the outside of the PROPOSAL AND SCHEDULE OF PRICES envelope. The bid security must be in the minimum amount of ten percent (10%) of the total base bid amount (no alternates included). Bid security must be either:

CERTIFIED CHECK OR CASHIER'S CHECK

Drawn on a bank in the State of Iowa, or a bank chartered under the laws of the United States

OR

BID BOND

*Executed by a corporation authorized to contract as surety in the State of Iowa
- Use Document D*

B. Bid Documents

1. The following documents shall be completed, signed and returned in a larger envelope. **THE BID CANNOT BE READ IF ANY OF THESE DOCUMENTS ARE OMITTED FROM THE ENVELOPE, OR ARE NOT PROPERLY COMPLETED.**

- a. PROPOSAL AND SCHEDULE OF PRICES (*Document C*) - Complete each of the following parts:
 - Identity of Bidder (name and address)
 - Acknowledgment of addenda, if any have been issued, by listing Addendum No. & Date
 - Affidavit notarizing signature of the bidder

- Name of bidder, unit prices and extensions with total bid amount noted, and alternates if any
- b. TARGETED SMALL BUSINESS ENTERPRISE REPORTING FORM (*Document F*) - Completed

If this document has only the bidder's name and address, thereby indicating no solicited quotes, or if solicitations were made which resulted in a small or zero percent minority participation, the bid will still be read and will be considered just as if the Division's ten percent (10%) goal, or more, minority participation had been achieved.

NOTE: ALL BID DOCUMENTS MUST BE SUBMITTED AS PRINTED. NO ALTERATIONS, ADDITIONS, OR DELETIONS ARE PERMITTED.

TOTAL BASE BID \$ _____

STATE OF IOWA
DIVISION OF SOIL CONSERVATION
IOWA DEPARTMENT OF AGRICULTURE AND LAND STEWARDSHIP

KNOW ALL MEN BY THESE PRESENT:

That we, _____ of _____ as **PRINCIPAL**,
and _____ of _____
as **SURETY(S)**, are hereby held and firmly bound unto the State of Iowa in the penal sum of _____ /100 Dollars
(\$ _____) for the payment, whereof, the said **PRINCIPAL** and **SURETY(S)** bind themselves, their heirs,
executors, administrators, successors and assigns, jointly and severally, firmly by these present.

The conditions of this obligation are such that whereas the **PRINCIPAL** is herewith submitting to the State of Iowa, acting
by and through the Division of Soil Conservation, Iowa Department of Agriculture and Land Stewardship, hereinafter called
the **DIVISION**, its sealed contract for the following:

Goff AML Reclamation Project, Contract #2
Sections 14, 15, 22 & 23, T75N, R19W, Marion County, Iowa
Grant No. S10AF20006
Bid No. 19128-2

NOW THEREFORE,

the conditions of this obligation are such that, if said proposal is rejected by the **DIVISION**, or if said proposal is accepted
by the **DIVISION** and the **PRINCIPAL** shall enter into a contract in the form specified by the **DIVISION** in accordance
with the terms of the Proposal and Schedule of Prices (*Document C*) and shall furnish a bond for the faithful performance of
said contract in the form specified by the **DIVISION**, this obligation shall be null and void. Otherwise it shall remain in full
force and effect.

In the event that the said proposal is accepted by the **DIVISION** and the **PRINCIPAL** shall fail to enter into the contract as
defined herein or shall fail to furnish the performance bond as noted above, within thirty (30) days of the approval of the
award, the **PRINCIPAL** and **SURETY(S)** agree to forfeit to the **DIVISION** the penal sum herein mentioned, it being
understood that the liability of the **SURETY(S)** shall in no event exceed the penal sum or this obligation.

IN WITNESS WHEREOF,

the above bounden parties have executed this instrument under their several seals this _____ day of _____, 20____,
the name and corporate seal of each party being hereto affixed and these present duly signed by its undersigned
representative pursuant to authority of its governing body.
