162.10A Commercial establishments — standard of care.

1. a. A commercial establishment shall provide for a standard of care that ensures that

an animal in its possession or under its control is not lacking any of the following:

(1) Adequate feed, adequate water, housing facilities, sanitary control, or grooming

practices, if such lack causes adverse health or suffering.

II-697 CARE OF ANIMALS IN COMMERCIAL ESTABLISHMENTS, §162.10C

(2) Veterinary care.

b. A commercial establishment, other than a research facility or pet shop, shall provide

for the standard of care for dogs and cats in its possession or under its control, and a

research facility or pet shop shall provide for the standard of care for vertebrate animals in

its possession or under its control.

2. a. Except as provided in paragraph "b" or "c", a commercial

establishment shall comply with rules that the department adopts to implement subsection 1. A commercial establishment shall be regulated under this paragraph "a" unless the person is a state licensee as provided in paragraph "b" or a permittee as provided in paragraph "c".

b. A state licensee who is a commercial breeder owning, breeding, transporting, or keeping a greyhound dog for pari-mutuel wagering at a racetrack as provided in chapter 99D may be required to comply with different rules adopted by the department.

c. A permittee is not required to comply with rules that the department adopts to implement a standard of care as provided in subsection 1 for state licensees and registrants.

The department may adopt rules regulating a standard of care for a permittee, so long as

the rules are not more restrictive than required for a permittee under the Animal Welfare

Act. However, the department may adopt prescriptive rules relating to the standard of care.

Regardless of whether the department adopts such rules, a permittee meets the standard of

care required in subsection 1 if it voluntarily complies with rules applicable to state licensees

or registrants. A finding by the United States department of agriculture that a permittee

complies with the Animal Welfare Act is not conclusive when determining that the permittee

provides a standard of care required in subsection 1.

3. A commercial establishment fails to provide for a standard of care as provided in

subsection 1 if the commercial establishment commits abuse as described in section 717B.2,

neglect as described in section 717B.3, or torture as provided in section 717B.3A.

by entering onto its business premises at any time during normal working hours. The

department may inspect records required to be maintained by the state licensee or registrant

refuses admittance, the department may obtain an administrative search warrant issued

under section 808.14.

162.10C Commercial establishments — monitoring permittees.

1. The department may monitor the commercial establishment of a permittee by entering

onto its business premises at any time during normal working hours. The department shall

monitor the commercial establishment for the limited purpose of determining whether the

permittee is providing for a standard of care required for permittees under section 162.10A.

If the owner or person in charge of the commercial establishment refuses admittance, the

department may obtain an administrative search warrant issued under section 808.14.

2. In order to enter onto the business premises of a permittee's commercial establishment, the department must have reasonable cause to suspect that the permittee is not providing for the standard of care required for permittees under section 162.10A. Reasonable cause must

be supported by any of the following:

a. An oral or written complaint received by the department by a person. The complainant must provide the complainant's name and address and telephone number. Notwithstanding chapter 22, the department's record of a complaint is confidential, unless any of the following apply:

(1) The results of the monitoring are used in a contested case proceeding as provided in chapter 17A or in a judicial proceeding.

(2) The record is sought in discovery in any administrative, civil, or criminal case.

§162.10C, CARE OF ANIMALS IN COMMERCIAL ESTABLISHMENTS II -698

(3) The department's record of a complaint is filed by a person other than an individual.

b. A report prepared by a person employed by the United States department of agriculture

that requires a permittee to take action necessary to correct a breach of standard of care

required of federal licensees by the Animal Welfare Act or of permittees by section 162.10A.

The department is not required to dedicate any number of hours to viewing or analyzing such reports.

3. When carrying out this section, the department may cooperate with the United

States department of agriculture. The department shall report any findings resulting in an

enforcement action under section 162.10D to the United States department of agriculture.

162.10D Commercial establishments — disciplinary actions.

1. The department may take disciplinary action against a person by suspending or

revoking the person's authorization for violating a provision of this chapter or chapter 717B,

or who commits an unlawful practice under section 714.16.

2. The department may require an owner, operator, or employee of a commercial

establishment subject to disciplinary action under subsection 1 to complete a continuing

education program as a condition for retaining an authorization.

This section does not

prevent a person from voluntarily participating in a continuing education program.

3. The department shall administer the continuing education program by either providing

direct instruction or selecting persons to provide such instruction. The department is not

required to compensate persons for providing the instruction, and may require attendees to

pay reasonable fees necessary to compensate the department providing the instruction or a

person selected by the department to provide the instruction. The department shall, to every

extent possible, select persons to provide the instruction by consulting with organizations

that represent commercial establishments, including but not limited to the Iowa pet breeders

association.

4. The department shall establish the criteria for a continuing education program which shall include at least three and not more than eight hours of instruction. II-701 CARE OF ANIMALS IN COMMERCIAL ESTABLISHMENTS, §162.20

162.20 Sterilization.

1. A pound or animal shelter shall not transfer ownership of a dog or cat by sale or adoption, unless the dog or cat is subject to sterilization. The sterilization shall involve a procedure which permanently destroys the capacity of a dog or cat to reproduce, either by the surgical removal or alteration of its reproductive organs, or by the injection or ingestion of a serum. The pound or animal shelter shall not relinquish custody until it provides for one of the following:

a. Sterilization performed by a veterinarian licensed pursuant to chapter 169.

b. The execution of an agreement with a person intended to be the permanent custodian of the dog or cat. The agreement must provide that the custodian shall have the dog or cat sterilized by a veterinarian licensed pursuant to chapter 169.

2. The pound or animal shelter maintaining custody of the dog or cat may require that a person being transferred ownership of the dog or cat reimburse the pound or animal shelter for the amount in expenses incurred by the pound or animal shelter in sterilizing the dog or cat, if the dog or cat is sterilized prior to the transfer of ownership of the dog or cat to the person.

3. a. The sterilization agreement may be on a form which shall be prescribed by the department. The agreement shall contain the signature and address of the person receiving custody of the dog or cat, and the signature of the representative of the pound or animal shelter.

b. The sterilization shall be completed as soon as practicable, but prior to the transfer of the ownership of the dog or cat by the pound or animal shelter. The pound or animal shelter may grant an extension of the period required for the completion of the sterilization if the extension is based on a reasonable determination by a licensed veterinarian.

c. A pound or animal shelter shall transfer ownership of a dog or cat, conditioned upon the confirmation that the sterilization has been completed by a licensed veterinarian who performed the procedure. The confirmation shall be a receipt furnished by the office of the attending veterinarian.

d. A person who fails to satisfy the terms of the sterilization agreement shall return the dog or cat within twenty-four hours following receipt of a demand letter which shall be delivered to the person by the pound or animal shelter personally or by certified mail.

4. a. A person who does not comply with the provisions of a sterilization agreement is guilty of a simple misdemeanor.

b. A person who fails to return a dog or cat upon receipt of a demand letter is guilty of a simple misdemeanor.

c. A pound or animal shelter which knowingly fails to provide for the sterilization of a dog or cat is subject to a civil penalty of up to two hundred dollars. The department may enforce and collect civil penalties according to rules which shall be adopted by the department. Each violation shall constitute a separate offense. Moneys collected from civil penalties shall be deposited into the general fund of the state and are appropriated on July 1 of each year in equal amounts to each track licensed to race dogs to support the racing dog adoption program as provided in section 99D.27. Upon the third offense, the department may suspend or revoke a certificate of registration issued to the pound or animal shelter pursuant to this chapter.

The department may bring an action in district court to enjoin a pound or animal shelter from transferring animals in violation of this section. In bringing the action, the department shall not be required to allege facts necessary to show, or tending to show, a lack of adequate remedy at law, that irreparable damage or loss will result if the action is brought at law, or that unique or special circumstances exist.

5. This section shall not apply to the following:

a. The return of a dog or cat to its owner by a pound or animal shelter.

b. The transfer of a dog or cat by a pound or animal shelter which has obtained an enforcement waiver issued by the department. The pound or shelter may apply for an annual waiver each year as provided by rules adopted by the department. The department shall grant a waiver, if it determines that the pound or animal shelter is subject to an ordinance by a city or county which includes stricter requirements than provided in this section. The

§162.20, CARE OF ANIMALS IN COMMERCIAL ESTABLISHMENTS II-702

department shall not charge more than ten dollars as a waiver application fee. The fees collected by the department shall be deposited in the general fund of the state.

c. The transfer of a dog or cat to a research facility as defined in section 162.2 or a person licensed by the United States department of agriculture as a class B dealer pursuant to 9 C.F.R. subch. A, pt. 2. However, a class B dealer who receives an unsterilized dog or cat from a pound or animal shelter shall either sterilize the dog or cat or transfer the unsterilized dog or cat to a research facility provided in this paragraph. The class B dealer shall not transfer a dog to a research facility if the dog is a greyhound registered with the national greyhound association and the dog raced at a track associated with pari-mutuel racing unless the class B dealer receives written approval of the transfer from a person who owned an interest in the dog while the dog was racing.
