

FOR IMMEDIATE RELEASE:

In celebration of Soil and Water Conservation Week, the Montgomery and East Pottawattamie Soil and Water Conservation Districts would like to invite everyone to a Cover Crop Plot Walk on April 26th at 1pm. The cover crop plot is located on the Gary and Linda Querry farm 2.5 miles west of Red Oak on the east side of Walnut Creek and lies directly north of Highway 34. The cover crop plot was created through an Iowa Water Quality Initiative and Watershed Improvement Review Board Grant through the Walnut Creek Watershed Project with help from Green Cover Seed and the United Farmers Mercantile Cooperative.

For questions or accommodations please call 712-623-9680
