

**ICMC WASH PLANT REPAIR AND RESEEDING PROJECT**  
**SECTION 18, T73N, R18W**  
**MONROE COUNTY, IOWA**  
**BID NO. 09CR01ICMCWP**

Sealed bids will be received by the Iowa Department of Agriculture & Land Stewardship, Division of Soil Conservation (Division), Henry A. Wallace Building, 502 East 9<sup>th</sup> Street, Des Moines, Iowa, 50319, until 3:00 p.m. local time, on the 9<sup>th</sup> day of September, 2009 and opened at a public meeting and read aloud on the date last mentioned. Bid opening will be held in Conference Room 2 in the Wallace Building.

The project is for a bond forfeiture site. In general, the work involves, but is not limited to, rehabilitating a wash plant facility including: removal of non-coal waste material, burial, treatment and covering of acidic material, grading in two sedimentation ponds, repair of terrace breaches and gully erosion, grading the permit area and seeding the disturbed areas. Estimated cost for the project is about \$85,000.

The plans and construction specifications governing the construction of the proposed improvements have been prepared by the Division and are hereby made a part of this notice by reference and the proposed contract shall be executed in compliance therewith. Contract documents (including plans, construction specifications, and bid package) may be examined at the following locations:
