

IOWA DEPARTMENT OF AGRICULTURE AND LAND STEWARDSHIP

Bill Northey, Secretary of Agriculture

June 20, 2008

Memo to: Retail Motor Fuel Operators
From: Ivan Hankins, Chief Weights & Measures
Subject: Flooded Equipment

Due to the flooding, the Iowa Department of Agriculture and Land Stewardship realizes that many of you are working diligently to get your businesses back in operation. We would like to remind you to be careful of unauthorized service companies and con artists, who may take advantage of the crisis situation. If you have doubts or questions about a service company call us. All legitimate service companies must register with the Iowa Department of Agriculture and Land Stewardship's Weights & Measures Bureau.

Once your operation is back in service, have your service company (or yourself) contact us, and we will schedule an inspection and have you approved as soon as possible.

For questions call the Weights & Measures Bureau at 515-725-1492.
