

POST IN CONSPICUOUS PLACE NEAR SCALE

OATH OF WEIGHMASTER

**BILL NORTHEY, SECRETARY
IOWA DEPARTMENT of AGRICULTURE
WEIGHTS and MEASURES BUREAU**

214.6 Oath of weighmasters.

All persons keeping public scales, before entering upon their duties as weighmasters, shall be sworn before some person having authority to administer oaths, to keep their scales correctly balanced, to make true weights, and to render a correct account to the person having weighing done.

214.7 Registers.

Weighmaster are required to make true weights and keep a correct register of all weighing done by them, giving the amount of each weight, date thereof, and the name of the person or persons for whom done, and give, upon demand, to any person having weighing done, a certificate showing the weight, date and for whom weighed.

214.8 Penalty.

Any weighmaster violating any of the provision of sections 214.6 and 214.7, shall be guilty of a simple misdemeanor and be liable to the person injured for all damages sustained.
