

2018 IDALS Pesticide Applicator Certification Winter Testing Schedule *as of 12/01/17

Applicator testing is not available at the Pesticide Bureau Office in the Wallace Building, Des Moines. Des Moines area testing is available at Des Moines Area Community College (DMACC), *Ankeny* and *Southridge Mall* campuses, which use computer-based testing. Please see <http://www.quia.com/newstudent.html> to obtain your personal login and password BEFORE going to DMACC or any other testing site offering computer-based pesticide applicator testing. Detailed information about computer-based testing procedures is available at <http://www.iowaagriculture.gov/Pesticide/pesticidetesting.asp>.

For all testing sites:

1. Photo ID required. All category tests are available at all sites.
2. No test will be handed out BEFORE the scheduled starting time or AFTER the scheduled closing time.
3. Cancellations: Inclement weather is the most likely reason for a change in the testing schedule. If winter driving in your area is hazardous, please call the PESTICIDE BUREAU at 515-281-8591 or 515-281-5601 to check on any possible changes in testing time or cancellation. The testing location(s) affected will be notified of any changes in the schedule as soon as possible.
